"36 years and still going downhill."

January 2006

Hello everyone,

The first newsletter of the new year, time is flying by so fast, it is hard to keep up. It seems like it was not that long ago that the board was putting together the trip list for the season and here we are skiing already. Our first trip to Marquette went very well. We had a full bus and the runs that were open were in good shape. The only bad thing was the long lift lines.

We have a lot of trips to go yet, so there are plenty of chances for you to ski, and there are openings on most trips, so get your forms filled out and your money in before it is too late. With the snow coming earlier than usual this year, it seems people are interested in skiing again, so if you wait too long, you might miss out.

I would like to thank the SC Grand for allowing us to park in their lot. It works out very well. I just want to remind everyone that we have to do our part as well, and that is to remember to park as far to the north end as possible to make it easy for their customers.

Don't forget the membership meetings on the Tuesday night prior to each trip. They are held at the Sports Corner in DePere and are for all club members. Guests are also welcome to come see what the club is like and hopefully become members. We lose a lot of members each year and we need a lot on new members to keep our club going strong.

I have to say good bye for another month. Enjoy your skiing and stay safe.

Dick

## GELANDEBUCKS

Does the club still offer these? Is it still \$10 per new member? Can I use it towards my favorite hobby, Skiing? The answer to all these questions is YES! If you recruit someone new to join the club you will receive a \$10 credit for each person that signs up! That \$10 can be put towards any ski trip, banquet or other club function as you see fit. So get out there, get recruiting and sign up some new members!

## Gelandesprung

Gelandesprung is a noun describing "a jump in skiing made from a crouching position with the use of both poles". Also, it is supposedly pronounced "gə-lĕn-də-shprōng" but anyway you say it, it's a great ski club!
