"37 years and still going downhill."

June 2006

Greetings everyone.

It is already the month of June which is the start of summer, and of course no one is thinking about winter and skiing, right? Wrong. Your board is already at work making plans for the coming season. On May 20 a group of us went down to Chicago for the CMSC trip seminar. We met a lot of nice people and learned some interesting things. Searchmont will be open for the '06-'07 ski season. Blackjack has a for sale sign in the window. All of the resorts would like to see us ski at their resort for the coming season, but that is no surprise. We will have some quotes coming shortly and we will work from

there. Is anyone interested in going to Whistler?

I have not heard about too many summer activities for the ski club. There is still plenty of time to get something organized and get the word out in the newsletter. It would be nice to have the opportunity to meet with the people we have skied with throughout the winter and find out how they have been spending their summer. If you would be interested in hosting an event, let someone on the board know and we can help to get it done.

If any of you have any ideas of

things that you would like to see the club do, please contact a board member and we will gladly discuss it. We are always looking for fresh ideas and can't always find them ourselves.

Be sure to read the newsletter during the summer. It will have all the latest information as social activities are added, and as soon as we get trip details worked out, it will be in the newsletter so you can plan early for the winter.

It is time to say good-bye for another month. Enjoy the first month of summer.

Spring Golf Classic

Saturday, May 20, 2006

The Spring Golf Outing started out a nice and sunny day. We did have a little rain on the last hole. The shot of the day belonged to Nels Jensen. He hit his second shot and drove it about 2" deep, straight into the ground.

The Fall Golf Outing plans will start to be planned. I will be looking for a course to play. I am looking to do the Fall Outing some time between the middle of September to the first Saturday in October.

Have a good Summer and see you this

GELANDEBUCKS

Does the club still offer these? Is it still \$10 per new member? Can I use it towards my favorite hobby, Skiing? The answer to all these questions is YES! If you recruit someone new to join the club you will receive a \$10 credit for each person that signs up! That \$10 can be put towards any ski trip, banquet or other club function as you see fit. So get out there, get recruiting and sign up some new members!

Gelandesprung

Gelandesprung is a noun describing "a jump in skiing made from a crouching position with the use of both poles". Also, it is supposedly pronounced "gə-lən-də-shprōng" but anyway you say it, it's a great ski club!
