July 2006

## Greetings everyone.

How is the summer going? It is nice to have some warm weather and sunshine. We can enjoy the outdoors in tank tops and shorts instead of ski parkas, hats and goggles. Let's take every advantage of it that we can, because the way time flies, it will seem like we will soon need the ski parkas, hats and goggles. When the seasons change over to snow again your board will have things ready for you so you can enjoy the ski season. The trips, meetings, banquets and Zeller's open house are being planned now and as soon as things are finalized the details will be in the newsletter.

Again our club is working with the Sly Fox Ski Club to give everyone many more opportunities

for trips. There should be a trip almost every weekend and with the meetings as well, there will be plenty of opportunities to see your ski friends. We are working on trips for West as well, looking like two that will be for a full week (one sponsored by each club) and one that will be a long weekend. Since no one replied back about Whistler, I guess I will have to go by myself, I will let you know how it was.

Our meeting place for this year will be the Sports Corner again. It works out well and we have a nice arrangement with them for parking for trips and everything. We will see about the dancing above us though, a couple of times it was annoying.

If you know of people who are interested in joining the ski club, now is the time for them to take action. As soon as they become members, they will receive the newsletter and are eligible for trip sign ups. If they pay their dues now, this will be good for the 2006-2007 ski season, they will not have to renew again by the end of November as the rest of will. It is like getting four extra months free, and we all like to get things free.

I think it is time to say good-bye for another month. Enjoy the beautiful summer weather, because we all know the summers in northeastern Wisconsin are too short.

## GELANDEBUCKS

Does the club still offer these? Is it still \$10 per new member? Can I use it towards my favorite hobby, Skiing? The answer to all these questions is YES! If you recruit someone new to join the club you will receive a \$10 credit for each person that signs up! That \$10 can be put towards any ski trip, banquet or other club function as you see fit. So get out there, get recruiting and sign up some new members!

## Gelandesprung

Gelandesprung is a noun describing "a jump in skiing made from a crouching position with the use of both poles". Also, it is supposedly pronounced "gə-lèn-də-shprōōng" but anyway you say it, it's a great ski club!
