"37 years and still going downhill."

August 2006

Greetings everyone.

It is surprising how fast the time goes by. Here it is another month gone by and we are getting closer to the ski season, it seems our summers are too short to get everything done that we would like. Now to make the summer seem even shorter, we have to decide on signing up for the first trip opportunity of the new season. That's right, this month we start the sign up for the trip to Whistler/Blackcomb, British Columbia. The clubs have been talking about going there for a long time, and it will take place January 27 through February 3. Check it out, it will be a good time, and send in your deposit on the 14th of August.

The other western trips are to Crested Butte February 8th to the 12th for a long weekend and a full week to Telluride March 10th to the 17th. The

Gelandesprung Ski Club
Whistler/Blackcomb 1995

clubs are working on the final details for the weekend trips and hopefully by the next newsletter, this will all be taken care of. So, like I said, the summer is not even over and it is time to start planning for the next ski season.

Other dates to mark on your calendars are the fall banquet on Friday October 13 and Zeller's open house on Thursday November 2. The flyer for the fall banquet should be in the September newsletter, so watch for it. The fall banquet is the best time for

possible new members to come and see what the club is like, so if any of your friends are interested, be sure to tell them to keep this date open.

Now that you have read all this winter stuff, it is time to get back to summer. There is still plenty of summer left, so get out and enjoy it, and if I don't see you before, I will be talking to you again next month.

GELANDEBUCKS

Does the club still offer these? Is it still \$10 per new member? Can I use it towards my favorite hobby, Skiing? The answer to all these questions is YES! If you recruit someone new to join the club you will receive a \$10 credit for each person that signs up! That \$10 can be put towards any ski trip, banquet or other club function as you see fit. So get out there, get recruiting and sign up some new members!

Gelandesprung

Gelandesprung is a noun describing "a jump in skiing made from a crouching position with the use of both poles". Also, it is supposedly pronounced "gə-lèn-də-shprōōng" but anyway you say it, it's a great ski club!
