November 2006

Greetings Everyone;

Another month has come and gone and it is getting us that much closer to the ski season. In a little over a month we will be off on our first trip of the year, a one day experience at Marquette Mountain and a great way to loosen up our legs and break in the equipment for a great season. All of the trips are now open for sign-up, so do not delay, grab your trip sign-up form and checkbook and get the business taken care of right now. Also when you are making out the check, don't forget about the club dues. This all can be taken care of with one check.

The fall banquet at the SC Grand was a huge success, with over 60 people attending. The food was excellent and everyone had a good time. There were a lot of nice door prizes and I need to thank all contributors for that. We learned about all of the trips that Gelandesprung and Sly Fox are

offering this year and about the Gelandegear that our club offers. The best part though, was seeing all of the familiar faces and a lot of new ones. It is the people that make this club as great as it is.

On Thursday, Nov. 2 the club had their annual open house at Zeller's Ski Shop. This has always been a huge event and this year was one of the best ever. There had to have been over a 100 people, and I do not ever remember seeing so many new faces at an event. I hope they all become new members. The Zeller people put together a fabulous evening, starting with the fashion show. The new clothing for the season looks fantastic, and our models did an excellent job of showing it off, thank you very much. Then it was on to a fun game for all to participate in, with Niels Jensen being the winner and taking home a very nice jacket. Then it was time for the door prize drawing, and there were a lot of door prizes. After that

we had opportunity to socialize and make purchases and enjoy the rest of the evening. I would like to thank Zeller's for all of the work that they did, and all of you for turning out to make this a big success.

All of the trips are set to go. We have our trip leaders now and would like to thank these people for offering to do this. Volunteers such as these are greatly appreciated by the board. We have a lot of business for the club that takes up our free time and it sure helps us out when people do volunteer. So think of that the next time you are on a trip and thank the trip leaders, and maybe in the future you could volunteer and help to make this club run as efficiently as it does.

Time to close for this month. Please be sure to pay your dues on time and get the trip sign-up forms in as soon as possible. The sooner it is done, the easier it is for the board. Thanks.

Dick

So get out there, get recruiting and sign up some new members!

Geländesprung

Geländesprung is a noun describing "a jump in skiing made from a crouching position with the use of both poles". Also, it is supposedly pronounced "gə-lĕn-dĕ-shprōng" but anyway you say it, it's a great ski club!
