

"38 YEARS AND STILL GOING DOWNHILL."

Geländesprung Gazette

August 2007

From the office of the president, Hi.

Wow how the summer is flying by. Time to get the skis out and get them tuned up, ok maybe not quite yet. Hope it has been a good summer for all. The board has been working on the up coming trips, I am happy to say with the help of Sly Fox we have been able to put the schedule together with no conflicts, YAHAAA. Remember you as a member of Geländesprung are able to go on any of the Sly Fox clubs trips. We will work out pickup points for are members. Speaking of the Sly Fox trips, Sam Fontaine who is the president is putting together the trip for Europe. It will be going to Switzerland. The details are in this newsletter. This trip will open August 15th, so if you are interested get your money put down to hold your spot. I will tell you this, our club will have a week long trip going to Banff, Canada for another of the long trips. This is one Awesome place to ski. We hope to have the complete list of all trips from both clubs by next month. With all these trips there is a lot of planning that goes into them. One of the situations we have been having is people waiting to sign up for trips at the last minute for different reasons, this making things even harder to plan for. Room reservations being one of them, holding rooms or letting them go. The Geländesprung club is working on an "Early Sign Up" program to give you a discount for doing so. This will help us to get things final on trips hopefully a little earlier. Signing up early is a BIG help. These things are all being done for you to help get the best trips, at the best price. Thanks in advance for your help. I know we will get your cooperation. Here's to a great year coming, pray for snow, ok wait a couple months before you start that, you know what I mean. Again any concerns please call me; hopefully I will be able to address them for you. Thanks, the Prez.
